RE: Antidumping duty order on steel wire garment hangers from Taiwan (A-583-849)

1. On 12/10/12, Commerce published in the Federal Register its antidumping duty order on steel wire garment hangers from Taiwan (77 FR 73424).

2. The merchandise covered by the order are steel wire garment hangers, fabricated from carbon steel wire, whether or not galvanized or painted, whether or not coated with latex or epoxy or similar gripping materials, and whether or not fashioned with paper covers or capes (with or without printing) or nonslip features such as saddles or tubes. These products may also be referred to by a commercial designation, such as shirt, suit, strut, caped, or latex (industrial) hangers.

Specifically excluded from the order are (a) wooden, plastic, and other garment hangers that are not made of steel wire; (b) steel wire garment hangers with swivel hooks; (c) steel wire garment hangers with clips permanently affixed; and (d) chrome plated steel wire garment hangers with a diameter of 3.4 mm or greater.

The products subject to the order are currently classified under U.S. Harmonized Tariff Schedule ("HTSUS") subheadings 7326.20.0020 and 7323.99.9080. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise subject to the order is dispositive.

3. For imports of steel wire garment hangers from Taiwan, CBP shall resume suspension of liquidation of entries of subject merchandise entered, or withdrawn from warehouse, for consumption on or after 12/6/12 (the date on which the International Trade Commission published its final determination in the Federal Register). Effective 12/6/12, CBP shall require a cash deposit equal to the margins in effect at the time of entry.
